

# Henna

Henna Shampoo is pH balanced.  
Conditions the hair leaving it shiny  
and manageable.

Wet hair. Lather. Rinse. Repeat.

Le shampoing au Henné est  
pH équilibré. Conditionnera  
les cheveux pour les rendre  
soyeux et faciles à coiffer.

Mouillez les cheveux.  
Faites mousser. Rincez. Répétez.

O Champô de Hena,  
com pH equilibrado, amacia  
o cabelo deixando-o com  
brilho e manejável.

Molhe o cabelo. Faça espuma.  
Passe por água. Repita.
